

REACH Declaration

We (Eaglerise Electric & Electronic (China) Co., Ltd) declare that the LED Power Supply provide to DIGIMAX S.r.l. accord to Article 223 of the REACH Regulation 1907/2006/EC and the relevant requirements in REACH Regulation

- 1- product contains 223 if a high concentration of substances (SVHC) are less than 0.1%.
- 2- if some components have high than use limit value, we must provide relevant test result and inform the content value to DIGIMAX S.r.l.
- 3- For more information about SVHC candidate list, please refer to the following pages
- 4- Some of our components contain lead (Pb) [CAS # 7439-92-1; EC # 231-100-4] in a concentration above 0.1 %w/w, but it can comply with RoHS exemption
 - 6(a) Lead as an alloying element in steel for machining purposes and in galvanised steel containing up to 0,35 % lead by weight
 - 6(b) Lead as an alloying element in aluminium containing up to 0.4% lead weight.
 - 6(b)-II For aluminum alloys used for machining, the lead content is not more than 0.4% by mass.
 - 6(c) Copper alloy containing up to 4 % lead by weight.
 - 7(a) Lead in high melting temperature type solders (i.e. lead-based alloys containing 85 % by weight or more lead).
 - 7(c)-I Electrical and electronic components containing lead in a glass or ceramic other than dielectric ceramic in capacitors, e.g. piezoelectronic devices, or in a glass or ceramic matrix compound.
 - 7(c)-II Lead in dielectric ceramic in capacitors for a rated voltage of 125VAC or

伊戈尔电气股份有限公司

Eaglerise Electric & Electronic (China) Co., Ltd.

Add: No. 4, East Huanzhen Road, Beijiao, Shunde, Foshan, Guangdong, 528000, China.

Tel: (86 757) 86256887

250VAC or higher.

15 Lead in solders to complete a viable electrical connection between semiconductor die and carrier with in integrated circuitflit chip package.

8(b) Cadmium and its compounds in electrical contacts.
