

## EU DECLARATION OF CONFORMITY

---

**Product Name:** PlacePod Vehicle Detection Sensor Surface-Mount and In-Ground

**Product Part Numbers:** VS-EU868LR and VSS-EU868LR

**Name and Address of Manufacturer:**

Protonex LLC dba PNI Sensor  
2331 Circadian Way  
Santa Ros, CA 95407  
USA

**Object of Declaration:** The PlacePod Vehicle Detection Sensor is a battery operated vehicle sensing device using magnetic field sensors and includes an 868MHz ISM band and a Bluetooth low energy transceivers.

**The object of the declaration as described above is in conformity with European Union harmonized legislation:**

**RED Directive (Radio Equipment Directive) 2014/53/EC**

**The Conformity of the essential requirements set out in the 2014/53/EU has been demonstrated against the relevant requirements of EN61326-1:2013 standards for Class A devices. Measurements have been made in accordance with EN61326-1 standards and publications IEC 6100-4-2 and IEC 6100-4-3.**

**Notified body:** National Technical Systems

**Notified Body number:** 2155

**Test Certificate:** FR-080002.01-EN Rev0
